DOT Inspection

The DOT Inspection menu provides summaries of all the collected data about the driver, truck, and trip. You may also use this menu to transfer the data to FMCSA during the DOT inspection, certify your logs, or view unidentified records.

Click on the "Start Inspection" button and check if your logs are ready to be transferred to the safety officials. If everything is OK, click the "Transfer Data" to Roadside Inspector button and choose the method of sending your logs.
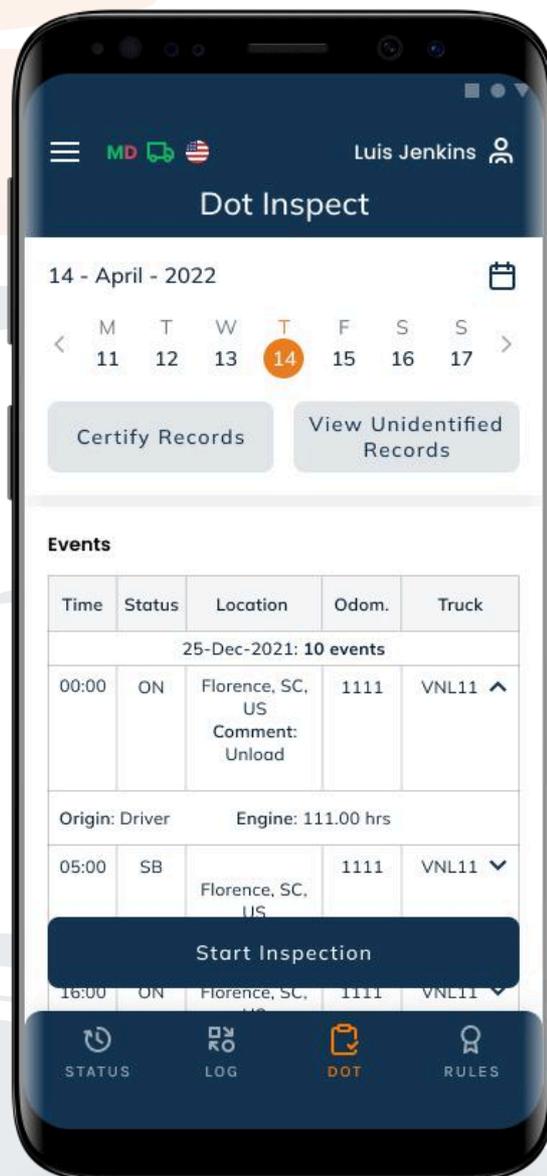

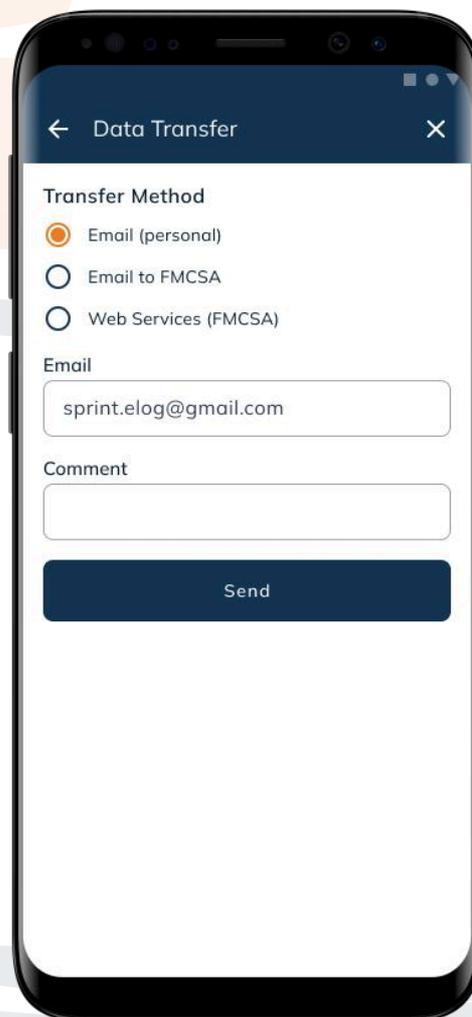

Data Transfer

You can select one of the following methods to transfer the data:

- **Send it to the personal email (provided by the inspector);**
- **Send it to the FMCSA email;**
- **Send it to the Web Services (FMCSA).**

If you select "personal email", you need to enter the recipient's address, add a comment. If you select "Web Services (FMCSA)" or "Email to FMCSA" you need to add a comment. The reporting period will vary depending on the rules of the country in which you operate.
